JSC NC “KazMunayGas”
CODE OF BUSINESS ETHICS

2018

Dear colleagues,

The successful activities of JSC NC “KazMunayGas” today and KMG’s dynamic development prospects on the way of a world-class oil and gas company in the future depend on how we represent a team of like-minded people united by common goals, traditions and culture of doing business and business conduct.

In this regard, this Code of Business Ethics is a set of norms and rules for the individual and collective conduct of all KMG employees, regardless of profession, position and place of work.

The code is intended to create an inspiring working atmosphere where each employee can feel responsibility for KMG performance and reputation and at the same time rely on KMG’s attention to his/her personality when performing his/her job duties.

The Code of Business Ethics is one of the most important tools for creating such a Company, where each employee is a professional in his field and a part of a single Corporate Culture.

Corporate ethics is a key element uniting employees into a single social organism. A clear understanding of activity moral bearings is necessary for the coordinated work of all subdivisions. Adherence to high ethical standards will help maintain and strengthen confidence in the team, and in relations with external partners, society and the state.

Compliance with the Code is one of the steps in strengthening the KMG’s reputation today and ensuring sustainable development and achieving KMG’s strategic goals in the future.

Each employee determines KMG reputation and prestige through his/her work and conduct. That is why perfect observance of the Code shall be a top priority for KMG employees.

The Code is an open document and is freely distributed among KMG Business Partners and any other Stakeholders.

Chairman of the Board

Alik Aidarbayev
